

TODDLER TIMES

June 2010

It's June and we are excited to continue our summer fun here in Magic Mansion.

This month's theme is summer-time fun and we have lots of hands on exciting activities and bible focuses planned. We will be continuing our water play on Fridays and doing a lot of "summer-ish" arts and crafts.

We look forward to exploring and learning about all the wonderful things God brings to us during the summer.
