

Uniform Guidelines

A safe and disciplined learning environment is one of the essential requirements of a good school. Young people who are safe and secure, and learn the essentials of good citizenship are better students. For this reason, Holy Cross Lutheran Academy views school uniforms as one positive way to reduce discipline problems and increase school safety. The benefits of school uniforms include:

- Helping parents resist peer pressure
- Helping students concentrate on their school work
- Instilling students with discipline
- Decreasing school violence and theft among students over designer clothing or expensive items
- Helping school officials recognize intruders who come to the school

Please review the school dress code guidelines outlined in the handbook.
